## FROM INTERIM DEAN STEINMAN

I am delighted to report that a team from the law school won second place in the regionals of the ABA National Moot Court Competition in Indianapolis last weekend, and will be traveling to the national competition in Atlanta in August. Team members Greg Andrews, Brian Halpern and Lynn Houlihan also won first place for Best Appellate Brief. Frances Kao, Michael Wexler and John Wieser, members of a second team, advanced to the semifinals after winning their first two preliminary rounds. Kudos to all of the team members, to coaches Meryl Daskal and Deborah O'Brien, and to faculty advisors Richard Kling and Stephen Sepinuck. Good luck in Atlanta!

Two other teams from the law school advanced to the semifinals of other competitions. Martha Niles and Kimberly Roy reached the semifinals at the University of Cincinnati Products Liability Moot Court Competition, and William Abramson, Lorraine Scaduto, and Paula Susman advanced to the semifinal round at the Illinois State Bar Association Moot Court Competition. Congratulations to them, to coaches Matthew Klucke and Karen Kudrna, and to faculty advisors Marc Grinker and Jonathan Tones.

### Schedule Changes – Summer Session

Professor Chapman will not be teaching the Accounting for Lawyers course. The instructor will be announced as soon as he or she is appointed.

## Schedule Changes And Information – Fall, 1991 Semester

### Course added: State and Local Government Law

State and Local Government Law will be taught by Prof. Burt Odelson on Monday and Wednesday evenings at 6:00 p.m. There are no prerequisites for this 3-hour course which is described in the Bulletin. Prof. Odelson graduated from Chicago-Kent in 1972 and is a partner with the firm of Odelson & Sterk. He successfully represented the Harold Washington Party in the U.S. Supreme Court last year.

The course number for day students is: 376-001-03, and for evening students: 376-051-03.

### Sections added: Advanced Research and Legal Drafting - Evening Division

An additional section of Advanced Research will be offered on Thursday evening from 7:35-9:25 p.m.; the course number is 422-053-02. The specialization for this course will probably be securities, but is subject to change.

An additional section of Legal Drafting with a general practice specialization will be offered on Thursday evening from 7:35-9:25 p.m.; the course number is 424-053-02.

### Final Exam Changes

The final exam for In-House Clinic - Tax will be Wednesday, December 11, 1991 at 1:30 p.m.

The final exams for all day division Civil Procedure II sections will be on Wednesday December 18 at 9:00 a.m. The final exams for all day division Constitutional Law I sections will be on Wednesday, December 11 at 9:00 a.m.

### Pensions

The pensions course meets from 5:35 to 7:25 p.m. on Tuesday evening, not 7:35 p.m. as incorrectly listed on the schedule.

### Remedies

Prof. Ehrenberg will not be teaching the Remedies course that meets on Monday and Wednesday evening at 6:00 p.m. The instructor will be announced as soon as he or she is appointed. Prof. Ehrenberg will teach a section of Remedies in the day division in the spring, 1992 semester.

### Environmental Program Students

The faculty recently approved a change in the Environmental Law Program for students who have not yet entered the program. New participants must take an environmental law section of Advanced Research; completion of the Program will no longer satisfy the Advanced Research graduation requirement. The appropriate sections are marked with an asterisk on the schedule of classes. This change does not affect students currently participating in the Environmental Law Program.

### Intellectual Property

For students interested in patent law and intellectual property, I am pleased to announce the faculty has approved some changes in the curriculum to increase our course offerings in this area.

Prof. Brill has arranged to begin offering Legal Drafting sections specializing in writing patent applications. The first section will be offered this fall on Tuesday from 7:35 to 9:25 p.m. (The section will not be changed to Thursday, as some students were told last week.) Evening students will have priority in registering for this

section; day students may enroll on Add-Drop Day on a space-available basis. A day section of this Legal Drafting specialization will be offered in the spring semester so day students interested in this course should register for Advanced Research in the fall semester.

Both the Patents and the Copyrights course have been increased to three credit hours and are now called Intellectual Property I: Patents and Trademarks and Intellectual Property II: Copyrights. Intellectual Property I is offered in the day division in the fall and Intellectual Property II will be offered in the evening in the spring. Students who took the 2-hour Patent and Trademark course may enroll for the new 3-hour course Intellectual Property I: Patents and Trademarks course.

#### Labor Law I

A section of Labor Law I will be taught by Prof. Malin in the day division during the spring semester.

### **End Of Semester Information**

As the end of the semester approaches, I want to wish you good luck on your final exams and call your attention to the following information regarding the end of the semester and final exams.

Regular classes are scheduled through Monday, April 29. The following days have been designated as make-up days and instructors may schedule make-up classes at the times indicated.

Day Division: Tuesday, April, 16 and 23 from 11:45 to 1:45 p.m.; all day April 30 and May 1.

Evening Division: from 6:00 to 9:30 p.m. on Friday, April 12, 19, 26 and Wednesday, May 1.

Read week is April 30 to May 7, but as previously stated, make-up classes may be scheduled on April 30 and May 1. Final exams begin on Wednesday, May 8 and end on Wednesday, May 22. My nephew Adam and the rest of the 1991 class graduates on Sunday, June 9.

Please review Section VII of the Handbook for the rules regarding exams, exam conflicts, missed exams, make-ups, and related issues. Section 7.2 provides that you do not have an exam conflict unless you have two exams scheduled for the exact same time or three exams scheduled consecutively. If you have such a conflict, you must complete an Exam Change form available in the Registrar's office and the time of one of the exams will be changed.

If you have two consecutive exams scheduled on the same day, it is not considered a conflict. However, if you have less than one hour between exams, you will be allowed a one hour break before starting the second exam. For example, if a morning exam is scheduled to end at 12:00 p.m. and an afternoon exam is scheduled to begin at 1:00 p.m., you will be permitted to begin the afternoon exam at 1:30 p.m. You must complete an exam change form in the Registrar's office if this situation applies to you.

Section 7.3 of the Handbook states that you are expected to take exams when scheduled, even though ill or inconvenienced. However, for serious illness or other extraordinary or compelling reason beyond your control, an instructor may excuse a student from taking the exam at its scheduled time. Day students will not be excused from an examination for a job-related reason. Section 7.4 sets forth the rules regarding make-up exams.

## REGISTRATION INFORMATION

### Procedure To Register With An Outstanding Balance

A student will be allowed to register with an outstanding tuition balance only if he/she has been approved to receive:

1. Guaranteed Student Loan (GSL),
2. Perkins Loan (NDSL),
3. Supplemental Loan for Students (formerly ALAS),
4. Law Access Loan, and/or
5. other institutional loan(s) (bank, etc.).

Students will not be allowed permission to register for any reason other than those listed above. Loans covering tuition charges for the Fall 1991 semester will not be accepted for credit against past due tuition balances.

Students should complete the "PETITION FOR GENERAL UNPAID TUITION POLICY EXEMPTION" form in order to be considered for registration with any past due balance no matter how small. Copies of the following verification information must be submitted along with the petition application:

1. Letters from the loan source (IIT Financial Aid Office, bank, etc. - **NOTE: A copy of the bank loan application/confirmation is required for GSL and SLS loans**) AND,
2. Registrar's letter confirming the current outstanding tuition balance amount.

Petition forms may be picked up at the REGISTRAR'S OFFICE, room 306, or the ADMINISTRATION OFFICE, room 302. Please submit application forms to Dawn Rupcich, Director of Administration and Finance, room 302. The Registration Policy will not be waived in order to allow a student to meet a registration deadline. Therefore, allow yourself sufficient time in order to complete the necessary paperwork (it usually takes 1-2 days to process requests for approval).

### Notations on the Transcript

Effective immediately, the semesters a student was on the Dean's Honor List will be noted on all transcripts. Day students registered for at least 12 hours and evening students registered for at least 8 hours who attain a 3.25 average for the semester are placed on the Dean's Honor List. First-year students are not eligible for the Dean's Honor List until after the entire first year. Election to the Order of the Coif will also be noted on transcripts.

## **COURSE INFORMATION**

### **Students Who Plan To Join The Environmental And Energy Law Program For The First Time In Fall, 1991**

Welcome to the Program in Environmental and Energy Law! We will admit to the Program for next year all students who ask to join. To join, send a letter to us, as soon as possible, indicating your intention to do so, delivered to Professor Deutsch in room 633. If you have a special background or experience, or a particular interest, please include the information in the letter. However, we will allow you to join the program as late as the start of the Fall, 1991 semester.

The condition for joining the Program is that you commit yourself to take the group of 5 courses and seminars during the remainder of your law school career. Additional information about the Program and courses is available in the Program brochure, found in the Admissions Office and Professor Deutsch's office (room 633). Also, either Professor Deutsch (ext. 5040, room 633) or Professor Tarlock (ext. 5713, room 506) will be happy to talk with you.

#### Course Information

As a new participant in the Program, you should be sure to register for both Environmental Law and Economic and Public Policy Analysis of Environmental Problems for Fall, 1991, if you are a day student. Both courses will meet in the late afternoon, so you can expect to have classes three afternoons lasting until 5:55. (Indeed, it is likely that all courses for the program will meet in the late afternoon or evening because we can offer only one section.) If you are an evening student, please take either or both of the courses if you can fit them into your schedule. Please be sure to speak with Professor Deutsch (room 633, 567-5040) if you cannot take either course.

During the next academic year you must register for an environmental law section of Advanced Research. In the Spring, 1992 semester, please plan to take The Scientific Analysis of Environmental Problems (usually offered two days each week from 4:30-5:55).

The following year (1992-1993, or over the following two years if you are an evening student), you should plan to take Land Use in the Fall and an environmental seminar (which will satisfy the seminar requirement for graduation). Because of the number of advanced students in the Program, we are offering five seminars during the 1991-1992 academic year (Energy and Natural Resources Law, Environmental Regulation of Real Estate Development, Hazardous Waste Regulation, International Environmental Law and Water Law). We will offer an appropriate number of seminars during the 1992-1993 academic year, based on the number of students who are in the program.

Many additional opportunities are available for students in the program. Please see Professor Deutsch or Professor Tarlock for additional information.

### **Continuing Members of the Environmental and Energy Law Program**

This Record notice will remind you of the courses and seminars you should take next year and the other opportunities available to members of the program. You should have received a longer version of this notice by E-Mail. Please contact Professor Deutsch if you didn't receive the E-Mail message.

IF YOU NOW ARE A second year full time student, this academic year you should have taken Environmental Law, Economic and Public Policy Analysis of Environmental Problems and Scientific Analysis of Environmental Problems. Next fall, you should register for Land Use (Professor Bosselman, Monday and Wednesday at 6:00 p.m.). In addition, next year you should take one of the five seminars offered for the program. (You must take a seminar to satisfy the law school's graduation requirements as well as the program's requirements.) The seminars will be: International Environmental Law (Professor Tarlock, Fall, 1991), Water Resources Law (Professor Tarlock, Spring, 1992), Hazardous Waste Regulation (Professor Deutsch, Spring, 1992), Environmental Regulation of Real Estate (Professor Bosselman, Spring, 1992) and Energy and Natural Resources Law (Professors Haffenden and Recht, Spring, 1992). If space is available, you may be allowed to take two seminars.

IF YOU NOW ARE A second year evening student, this academic year you couldn't take Environmental Law or Economic and Public Policy Analysis of Environmental Problems. Please register for both of them for Fall, 1991. If you cannot, then register for at least one. Register for the Scientific Analysis of Environmental Problems for Spring, 1992. During the next two years, you should also take Land Use and a seminar. The five seminars available next year (which you cannot take) are set out in the paragraph for day students, above. A group of (probably similar) seminars will be offered during 1992-1993 and 1993-1994.

IF YOU NOW ARE A third year evening student, you should have taken Environmental Law, Economic and Public Policy Analysis of Environmental Problems and Scientific Analysis of Environmental Problems. You should take Land Use in the fall (Professor Bosselman, Monday and Wednesday at 6:00 p.m.) and one of the five seminars set out in the paragraph to second year day students, above.

Please contact Professor Deutsch or Tarlock to discuss other opportunities related to the program.

### **To All First Year Students – Justice & The Legal System – Professor Nance**

A faculty committee is in the process of reviewing the course, Justice and the Legal System, in order to consider changes to the reading materials assigned for the course. We benefited from the results of the questionnaire distributed to students at the end of the fall semester, but would appreciate any further comments that students would like to make, now that you have had a semester's time to reflect upon the significance of the course. Any comments that you wish to make on the scope, content, or organization of the reading materials may be written and given to senior faculty secretary Bill Morse, in the third floor faculty suite, or sent by e-mail to BMORSE on PROFNET.

---

### **RESEARCH ASSISTANTS NEEDED**

**Professor Randy Barnett** is seeking a paid research assistant for the summer. The likely topic will be the Ninth Amendment and the protection of unenumerated rights. All students may apply, but former members of Professor Barnett's criminal law class are especially encouraged. Leave a resume with Bill Morse in the faculty suite on the third floor.

**Professor Anita Bernstein** is seeking research assistants with reading knowledge of any foreign language (especially Chinese, French, German, Japanese, Latin, Russian or Spanish) to help gather materials for her

seminar on comparative tort law. The research would take place in late spring after exams and might, but need not, continue thereafter. Applicants should own an English/foreign language dictionary. Students who would like to research the law of Africa or Australia need not know another language but should be familiar with American tort law and the traditions of these continents. Because of the short-term nature of the project, only pay and not credit can be given as compensation. Applicants may leave a resume and a description of language skills with Shearita Williams in the faculty suite on the third floor.

**Professor Ralph Brill** is seeking a second- or third-year student to work an average of 20 hours per week researching Illinois tort law. The student selected also may continue to work through the summer. Please see Professor Brill in room 216, or drop off a resume in his mailbox in the college office.

**Professor Sheldon Nahmod** is seeking several research assistants to work 6-8 hours per week over the summer (possibly spilling over into the fall) to work with him in the civil rights area. Students interested in constitutional litigation are especially encouraged to apply. Call him at 567-5761 or stop by to see him in room 504 as soon as possible.

**Professor Dale Nance** is seeking research assistance for the summer. The general topic is evidence law, so the assistant must have completed the basic evidence course by the beginning of the summer and should have a serious interest in litigation. The specific topic will probably relate to the so-called "rule of completeness" (FRE 106). Applicants should leave a resume with Bill Morse in the faculty suite on the third floor.

**Professor Kevin Smith** is seeking research assistants for the summer. The research will concern the Supreme Court. Interested students should see Professor Smith in room 211 or leave a resume in his mailbox in the College Office.

**Professor David Thomas** needs two research assistants beginning as soon as possible after final exams to work this summer on a variety of issues relating to criminal procedure. Work will include preparation of a supplement to our treatise, as well as issues related to various ongoing cases. Times are flexible, but I would like at least 20 hours a week. Interested persons should submit a resume and writing sample to Tracy Green, room 601. I will be returning to Chicago on May 6 and will make a decision soon after that.

**Professor Richard Wright** is seeking one or more students to assist him in research during the summer of 1991, with a possibility, if the student so desires, of continuing during the Fall 1991 semester. The research will be on principles of liability -- primarily tort liability but also related criminal liability issues. The research topics will range from theoretical analysis of the moral foundations of liability to doctrinal analysis of the principles actually applied by the courts (in the U.S. and elsewhere) to empirical analysis of the actual operation of the liability systems. Any student may apply, although preference will be given to students from Professor Wright's Torts and Justice courses. Interested students should submit a resume to Professor Wright or Bill Morse (outside room 311).

## **1991 GRADUATES: ADDITIONAL PHOTO OPPORTUNITIES AVAILABLE**

The photographer for the graduation composite has scheduled additional photo opportunities at the law school on April 24-25. Those who missed having their photo taken during the week of March 11 and who want to have a graduation picture should see Barbara Clemmer in room 221 to schedule a photo session and to make all necessary arrangements to participate in the graduation ceremony.

If you will be a second- or third-year student next fall, possess a technical undergraduate degree and are interested in the field of patent law, you are strongly encouraged to participate in this program. Many patent employers participate only in specialized patent recruitment fairs such as this and, therefore, will not participate in the fall on-campus interview program.

Because all program planning is completed during the summer months, we must know now how many students plan to participate and where we can reach them during the summer. Registration forms are now available in the Career Services Office; registration deadline is April 25. Students who register will be notified during the summer as to when employer information will be available and preference selections must be made. This information will be forwarded only to those students who have met the April 25th registration deadline.

## RESOURCES

### Attention Graduating Students

All students who have received student loans while attending IIT Chicago-Kent College of Law are required by federal law to attend an Exit Interview before graduation. Exit Interviews will be held at the following times.

Wednesday, April 17	10:00 a.m. in room 642
Thursday, April 18	12:00 p.m. in room 203
Monday, April 22	5:30 p.m. in room 204
Wednesday, April 24	3:00 p.m. in room 642

The sessions will last approximately 30 minutes. If you are unable to make any of the scheduled sessions, please contact Leslie Ohsiek in the Admissions Office at 567-5012.

### Computer Center Survey

Beginning next week, the Computer Center will administer a short survey on-line through Kentnet. This survey will "pop up" when students log on to the network, and may be filled out at that time, OR students may press ESCAPE and fill out the survey later. This survey will continue to pop up until that student has filled out the survey. First-year students and students in courses whose faculty participated in the Mead study will be surveyed in class.

The survey covers student attitudes towards the LEXIS service, and is designed to help evaluate and improve our legal research training for Kent law students. We are involved in a three-year study with Mead exploring the educational ramifications of having convenient access to LEXIS. The Computer Center will preserve student anonymity in reporting any results of the survey.

### Students Applying For Financial Aid For The 1991-92 Academic Year

Please be advised that the tuition cost used in determining your financial aid for the 1991-92 academic year will be based on 15 hours per semester for day students, and 10 hours per semester for evening students. If you plan on taking fewer hours, your loans may be subject to reduction in the 1992 Spring semester. Any questions regarding this policy should be directed to Assistant Dean Nancy Herman or Assistant Director Leslie Ohsiek at 567-5012.

### Westlaw

Summer associates are encouraged to sign up for Westlaw Summer Associates Training Contest. Win up to \$10,000!! Chicago-Kent training dates are April 16-17 at 1:30-2:30 p.m. Contact Mary Harris (MHARRIS) for details.

## **Student Bar Association**

### **SBA Spring Semester 1991 Calendar of Events**

April 16-17            Elections

There will be many additions to this schedule so check your mailbox, the SBA office, the Record and e-mail.

### **Student Bar Association Election**

Elections for Student Bar Association positions will take place on April 16-17, from 11:30 a.m. - 2:00 p.m. and 4:00 p.m. - 6:00 p.m. In addition to SBA officer and representative positions, the school elects representatives to the law school divisions of various professional bar associations. The Student Bar Association is an excellent vehicle by which to become more involved in Chicago-Kent. SBA members sit on faculty committees, and are otherwise active in representing the Chicago-Kent student body.

In addition to a general election of the president, vice president, secretary and treasurer, four representatives each will be elected for next year's second and third year day divisions, and two representatives each will be elected for next year's second, third and fourth year evening divisions. Next fall, a special election will be held to elect first year representatives. One day student and one evening student will be elected to represent Chicago-Kent on the American Bar Association/Law Student Division. One representative each will also be elected for the Illinois and Chicago Bar Associations.

Students interested in running for any position should stop by the SBA office immediately and pick up a petition for candidacy. Candidates for representative positions must procure 10 student signatures; for officer positions (president, vice president, secretary, treasurer), 20 signatures. In addition, each student must submit a short statement of candidacy, stating qualifications, interests, etc. These petitions/statements are due to in the SBA office at 8:00 p.m., Monday, April 8. The offices of president and treasurer must be filled by students who have completed three full semesters to date; the offices of vice president and secretary may be filled by students who have completed one semester. Please direct further questions to any SBA member, or drop by the office.
